

If we become TravelSmart

Chorus

If we become TravelSmart, we'll make a difference, play our part
On the ground or in the air, with use of fuel we must take care
Let's start a transport revolution, lessen current air pollution
If we all could do the same ... then people everywhere will gain

Group 1 Cycling can keep you fit
 Might prevent you getting sick
 Helmet on and off you ride
 Get some exercise outside

Chorus

Group 2 Walking with a friend is cool
 Try it on your way to school
 Have a chat along the way
 Get energy to last the day

Chorus

Group 3 Catch the bus or take the train
 If it looks like it might rain
 Using transport of this mode
 Stops traffic clogging up the road

Chorus

Everyone Make your choice of transport green
 Keep the environment clean
 Reduce GHG emission
 Try to be more fuel efficient

Chorus

If we become TravelSmart, we'll make a difference, play our part
On the ground or in the air, with use of fuel we must take care
Let's start a transport revolution, lessen current air pollution
If we all could do the same... then people everywhere will
