

It's Christmas

Hey do you hear
That Christmas call?
There's love and laughter in the air around us all
Those festive songs are playing everywhere we go
Let's sing along to those we know, while

Chorus

We remember all the good times we have had this year
Think of our successes now this special time is here
Ring the bells out loudly, celebrate and let's have fun
It's Christmas, spread good cheer to everyone

Wrap up those gifts
Put up that tree
The lights shine brightly now for everyone to see
Hold on to each magical moment that we share
Show each other how much we care, when

Chorus

Bridge

As we look towards the future, at the stars up in the sky
Let's make a promise to ourselves that we will try
To put our best efforts in everything we do
And make a resolution that to ourselves we'll be true, as

Chorus x 2 then repeat last line x 2
